

York & District Amalgamation of Anglers.

Newsheet 352 (10.16.)

ENVIRONMENT AGENCY MATCH RETURN CARDS. These should be sent in as quickly as possible, showing which pool fished, where there are more than one (i.e, Laybourne Marley, Potters and Brown's), so that funds may be raised for the junior members of the Amalgamation. Many thanks.

BENINGBROUGH (Above the Village). A new farmer has taken over the land. From 21st September he has installed an "honesty box" on the 'concrete block' at the Lodge gates. Any angler wishing to park here should please donate a sum of money to park, all proceeds being given to the Yorkshire Air Ambulance. A worthy cause for a parking space.....please give generously.

ANNUAL GENERAL MEETING. Again, pleasingly, no Notices of Motion to the AGM have been received from the general membership. However, there are several from the General Purposes Committee as shown below.

Code of Behaviour No. 13. Delete "except for Trout in the trout season over the 10 inch limit".

Annual General Meeting. "To be held two weeks after the November GPC meeting (3rd Wednesday)"

Day Tickets. "The purchase of a Day Ticket will allow a non-member to fish on any of our Day Ticket waters at their own risk. **It is the responsibility of the Day Ticket holders to be aware of all rules and bye-laws.**"

Membership. "The Amalgamation, through its Officers and Delegates, reserves the right to withdraw the membership permit from anyone who is in breach of the Code of Conduct/Rules as printed annually or who does or says anything which is deemed by the G. P, C. To damage the Amalgamation or otherwise bring the Amalgamation into disrepute. **All anglers fishing Amalgamation waters must be in possession of a valid Environment Agency (EA) licence at all times. All relevant EA bye-laws will be observed on club waters. Club Bailiffs and all other members (on production of their own licence and permit) are authorised to check the EA licence and proof of identity of any angler on fishing club/fishery water. Failure to provide either could lead to expulsion from the club/fishery.**"

Membership fees. "That the Park View night permit be amended :: (£40.00) including a £10 joining fee', thereafter being £30.00 annually".

"That there be an increase in the price of the Game permit, but to extend fishing to the full extent of the designated Game fish water".

"That there be an increase in the cost of the membership Adult/O.A. P. permit".
