

York & District Amalgamation of Anglers.

Newsheet 356 (03.17.)

SELBY CANAL. A new gate has been fitted by Selby District Council for security reasons which now limits access from the bridge. Vehicle access to the fire station stretch can only be made via the estate.

LITTER. This continues to be a problem of many of our waters with Sand Hutton, Laybourne, Park View and Howsham recently highlighted.

PLEASE MAKE SURE YOUR PEG IS FREE OF LITTER.

BAILIFF'S MEETING. The recent Bailiff's Meeting was well attended and included a presentation by the Enforcement Officer from the Angling Trust. New durable warrants will be issued shortly to all bailiffs who have registered with us.

YORK WINTER LEAGUE. For the first time in a while all six matches have been fished. Results of all matches can be found on the York DAA Forum.

POCKLINGTON CANAL. Dredging has taken place on part of the canal with more planned next winter. They are also planning a 'bash' on Himalayan Balsam.

WORK PARTIES. The next work party will take place on Saturday 11 March at Park View Lake. If you would like to attend, (help to preserve your fishing) please turn up dressed appropriately with suitable tools for bank clearance etc. Details of future 'expeditions' will be advised through the medium of the website "www.ydaa.org.uk". Please check either the website, Facebook or the Forum for any last minute changes due to the weather.

HEMINGBROUGH. The work here is almost complete with pegs cleared and branches trimmed.

SIGNAGE. Signage is now in place at Naburn and new signs are to be ordered for several other waters. These will be fitted as soon as the relevant permission(s) have been obtained from land owners.

SKIP BRIDGE, TOCKWITH, MOOR MONKTON. The Environment Agency have recently complete a flood alleviation scheme which involved the remove of branches and trees which were blocking the flow of the water. This should have created a few more pegs.

CLOSED SEASON. With the closed season for rivers from the 14 March until 16 June, why not pay a visit to your favourite fishery and do a bit of tidying up or join one of our Work Parties

LATE ISSUE. Sorry but due to illness there was no News Sheet last month. We wish the Secretary a speedy recovery and would ask members to call other officers if they have a problem they require help with.
